10. Companies (investors), which due to their size are not allowed not to draw a summary balance sheet in accordance with the Companies Law or corresponding law of a Member State.

In the cases of paragraphs 5, 6, 7 and 8, the Fund suspends the payment of compensation informing the interested parties accordingly, until it reaches a final decision as to whether such cases apply.

3. OBJECT OF THE FUND

4.1. The object of the Fund is to secure the claims of the covered clients against the Company through the payment of compensation for their claims arising from the covered services provided by the Company, so long as failure by the Company to fulfill its obligations has been ascertained.

4.2. The term failure denotes the inability of the Company:

A. either to return to its covered clients funds owed to them or funds which belong to them but are held by the Company, directly or indirectly, in the context of the provision by the Company to the said clients of covered services, and which the latter requested the Company to return, in exercising their relevant right, or

B. to hand over to the covered clients financial instruments which belong to them and which the Company holds, manages or keeps on their account, including circumstances where the Company is responsible for the administrative management of the said financial instruments.

4. PRECONDITIONS FOR THE INITIATION OF THE COMPENSATION PAYMENT PROCEDURE BY THE FUND

The Fund initiates the compensation payment procedure when at least one of the following prerequisites is fulfilled:

- (a) The Cyprus Securities and Exchange Commission has determined by Resolution that CIF is for the time being unable to meet its obligations arising from its investors-customers' claims, in connection with the covered services it has provided, as long as such inability is directly related to the CIF's financial position, which has no realistic prospect of improvement in the near future, or
- (b) Court, based on grounds directly related to the financial position of a CIF, has made a ruling which has the effect of suspending the investors-customers' ability to lodge claims against the CIF.

Upon issuance of a decision by the Cyprus Securities and Exchange Commission or by the Court in accordance with paragraph (a) or (b) above respectively, on the commencement of the compensation payment procedure, the Fund publishes in at least three national newspapers an invitation to the covered customers to make their claims against CIF arising from covered services, designating the

procedure for the submission of the relevant applications, the deadline for their submission and their content.

5. COMPENSATION AMOUNT – FORMALITIES

The amount of compensation toward investor-clients of Fund members shall be up to a maximum amount of twenty thousand Euro (€20.000) and the said coverage applies to the total amount of claims of an investor toward a Fund member, irrespective of the number of accounts, currency and place of provision of the service. In the case of a joint investment operation, the part of the claim attributable to each investor is taken into account: It is provided that - joint investment operation means covered investment service or the ancillary service which is carried out on behalf of two or more beneficiaries, and generally persons who have a right which may be exercised upon the signature of one or more such persons.

The amount of compensation payable to each covered customer is calculated in accordance with the legal and contractual terms governing the relation of the covered customer with CIF, subject to the rules of set-off applied for the calculation of the claims between the covered customer and CIF. The calculation of the payable compensation derives from the sum of total established claims of the covered customer against CIF, arising from all covered services provided by CIF and regardless of the number of accounts of which the customer is a beneficiary, the currency and place of provision of these services.

The valuation of the financial instruments pertaining to the compensation payable to the covered client is carried out based on their value at the day: (a) of publication of a court ruling which has the effect of the suspending the investors ability to lodge claims against it based on reasonable grounds directly related to the financial circumstances of an Investment Firm which has subscribed to the Fund; (b) of publication of the decision of the Cyprus Securities and Exchange Commission that an Investment Firm, which has subscribed to the Fund, is unable to meet such of its duties as arise from its customers' claims in connection with the covered services it has provided, as long as such inability is directly related to its financial circumstances in respect of which no realistic prospect of improvement in the near future seems foreseeable.

If the amount of the claim determined exceeds the amount of Euro 20.000 (twenty thousand Euros), the claimant receives as compensation the lump sum of the amount of Euro 20.000 (twenty thousand Euros).

In case of the investment firm providing services to its clients through a branch situated in a third country, the amount of the maximum compensation payable to clients of the said branch comes up, per customer, to the lump sum paid by any investor compensation scheme in operation in the third country, without however this amount exceeding the fixed amount of Euro 20.000 (twenty thousand Euros).

If in the third country, in the case described above, an investor compensation scheme is not in operation, the maximum amount of payable compensation per client of the branch comes up to an amount corresponding to Euro 3.417 (three thousand four hundred seventeen Euros).

In the case whereby beneficiaries of a Joint Account of the Company are in their majority covered clients –

(a) the maximum amount payable to all co-beneficiaries of the account comes up to the amount of Euro 20,000 or, as the case may be, as per above point - Euro 3,417 and

(b) the compensation is fixed on the whole for all co-beneficiaries of the joint account and is divided amongst them, in the way determined in the agreement between the co-beneficiaries and the Company; otherwise, in the absence of such agreement, it is divided equally amongst them.

Upon completion of the valuation, the Fund:

- (a) issues minutes listing the customers of CIF who are entitled to compensation, along with the amount of money each one of them is entitled to receive and communicates it to the Cyprus Securities and Exchange Commission and CIF within five working days from its issue and
- (b) communicates to each affected customer its finding no later than fifteen days from the issue of the minutes, determining the total compensation amount this customer is entitled to receive.

The Cyprus Securities and Exchange Commission, in order to ensure that the provisions of the legislation in force in the Republic of Cyprus are fulfilled during the examination of the applications and the calculation of the amount of the corresponding compensation per covered client, may: (a) request from the Fund, the Company and the claimant to produce information and particulars, (b) run the investigations required, implementing the relevant provision of the Cyprus Securities and Exchange Commission (Establishment and Responsibilities) Laws.

The claimant, to whom the Fund communicates the total compensation amount to which he is entitled, in case he disagrees with the Fund's decision, has the right within ten days from the communication of the decision to appeal to the Cyprus Securities and Exchange Commission, justifying sufficiently his alleged claim.

The Fund is obliged to pay to each covered customer (claimant) the compensation within three months from sending to the Cyprus Securities and Exchange Commission the minutes with the compensation beneficiaries.

The payment of the compensation by the Fund is deposited to a bank account of the covered customer-claimant designated by the latter in writing to the Fund.

Every compensation payable to a covered client burdens initially the property of the Fund corresponding to the individual shares of its members and then the assets of the fixed reserve.
